## RICHARD'S ROUNDUP:

Howdy Everyone! Summertime is here! It's a busy time of year and we're busy at the Lodge also with parades, Burger Night and planning upcoming events, such as the Lodge Birthday Party and the Golf Outing & Pork Chop Dinner.

Once again the Lodge has given over \$11,000 in scholarships and we will also be sending 12 kids to Youth Camp this summer! Without our members we would not be able to do this.

Don't forget our upcoming July events as we celebrate summer and our Lodge's 103rd birthday!

As a reminder if you haven't paid your dues please do so as soon as possible.

By the time you read this Roundup, Ruth & I will have been to the State Convention in Hibbing and preparing for the National Convention in Austin, TX. Thank you for the privilege of representing the Faribault Lodge at these conventions.

Fraternally,  
Richard Lock, Exalted Ruler

### Flag Facts:

On June 14, 1908, Theodore Roosevelt was dining near Philadelphia, when he noticed a man wiping his nose with what he thought was the American Flag. In outrage, Roosevelt picked up a small wooden rod and began to whip the man for "defacing the symbol of America." After a few whacks, he noticed that the man was not wiping his nose with a flag, but with a blue handkerchief with white stars. Upon realization of this, he apologized to the man, but hit him once more for making him "riled up with national pride."
